Career Summary

Recent graduate with dual Bachelor degrees, eager to start a career in Software Engineering. Proficient in programming languages, software development, and hardware-software integration. Possess a strong foundation in algorithms, data structures, and agile software development, complemented by hands-on experience in university projects and co-op position.

Education

Missouri University of Science and Technology	May 2024
B.S. Computer Science	GPA 3.5/4.0
B.S. Computer Engineering	

Experience

Ameren	St. Louis, MO
Network Operations Co-Op	May 2022 – Dec 2022

- Monitored and maintained network connectivity for over 1,000 devices, ensuring high availability and performance
- Collaborated with Network Operations team to troubleshoot and resolve technical issues with servers, Wi-Fi, VPNs, switches, and hubs using ServiceNow
- Utilized network management tools to analyze traffic patterns and optimize network performance
- Configured and maintained a testing lab for team evaluations, streamlining the development and testing process
- Documented network configurations, procedures, and incident responses for knowledge sharing and future reference

Staples	Rolla, MO
IT / Tech Services	Aug 2021 – Jan 2022

- Diagnosed and resolved software and hardware issues across a variety of devices, enhancing functionality and user satisfaction
- Provided training on essential computer skills, improving employee and customer proficiency and confidence with technology
- Advised customers on product selection, offering detailed information about available computers and helping them choose the best options to meet their needs

Missouri University of Science and Technology	Rolla, MO
C++ Class Helper	Jan 2021 – May 2021

- Assisted students with understanding complex C++ concepts such as object-oriented programming, data structures, and algorithms, improving their coding proficiency
- Reviewed and debugged student code to identify errors and offer constructive feedback

Skills

C++	Python	MySQL	Bash
Service Now	Git Hub	Routing/Switching	Cisco Software
